MEMORANDUM

July 10, 1964

TO: J. Lee Rankin
FROM: Alfred Goldberg
SUBJECT: TV Tapes and Films

We have received a detailed chronology of NBC's TV coverage for November 22-24, 1963. In order that we may have a more precise basis for requesting tapes and films, at Mr. Willens' suggestion I telephoned Mr. Spabile, Vice President of NBC, and asked him if he could provide us with an inventory by reels. Mr. Spabile promised to let us know soon if such an inventory exists.

This afternoon I received a call from Mr. Rubenstein of ABC who requested additional information about our letter to ABC. As a result of our conversation he agreed that he would find out whether ABC had any TV tapes and films of the Dallas scene during November 22-24 that were additional to those taken by WFAA in Dallas. He promised to call back with the information as soon as possible.
